Council President's Report on the State of the Borough

A Strong Future Thru Quality of Life & Services

Although the calendar only says February, Orwigsburg Borough Council is “spring”-ing to a busy start for 2019. While there are many new issues being explored, many others are carryovers from last year offering benefits to residents for years to come.

MICHELE RUDLOFF
Council President

Too often, municipalities feel there are only two choices to keep up with the increasing cost of doing business to provide necessary services – raise taxes or grow the tax base.

Orwigsburg Borough has done a fantastic job growing its tax base, as evidenced by a robust increase in real estate transfers last year. We expect that to continue in 2019. Providing a high level of services that current and prospective residents expect, combined with strong economic development in the Borough and surrounding areas, will certainly benefit the borough's financial bottom line.

Just last month, Borough Council discussed and adopted a resolution to create a Local Economic

Revitalization Tax Assistance (LERTA) program in the Borough. This is a program allowing government entities to offer real estate tax abatement to businesses that invest in new projects or expansion of existing operations. The tax reduction is offered over a 10-year period and applies only to the increased value of expansion or new construction.

State of the Borough

- Continued from Page 1

Council adopted the LERTA exclusively to the Borough's Industrial-zoned properties in an effort to "jump start" new business or expanded growth in a part of our community that has been stagnant for years. In addition to the Borough, our hope is the Schuylkill County Commissioners and Blue Mountain School District will also adopt the LERTA, giving incentive to add tenants and expand current businesses in our industrial park.

Another critically important objective for 2019 is a continued aggressive pursuit of grant funding. I think most residents would be surprised to know that in 2018, Orwigsburg Borough received well over \$1 million in funds from a variety of state grant programs, all of which benefitted our community and helped with our bottom line. Most notable of these was the \$750,000 we received for the continuation of the Veterans Memorial Hall renovations.

Additionally, the Borough received funding for recreation improvements and to assist with infrastructure upgrades and needs.

We have achieved great success being awarded these grants and can thank many in the community for their involvement. Not every municipality has the success that Orwigsburg has had with these programs, due in large part to our administration producing professional and worthy applications and the close relationships built with our state government officials to help secure this necessary funding. We hope to continue this success pursuing these valuable and highly competitive grant funds in the coming years.

As we move forward throughout the year, we will continue to refine our methods to provide the most cost effective and quality services to our residents.

Farm-to-Square and more!

Back by popular demand, Farm-to-Square will be held Thursday, Aug. 8 from 5 to 8 p.m. This is our end-of-summer blowout event, featuring local farmers and their market goods, wineries and breweries, activities for children, live music and more!

We expect to surpass our number of vendors from last year (30!) and make this year's event an even bigger success. OBPA has also started planning the 28th annual Heritage Celebration - this year set for Saturday, Sept. 7 from 10 a.m. to 3 p.m. - and Orwigsburg's annual Festival of Lights on Saturday, Dec. 7 from 4:30 to 7 p.m.

Involvement is valued and rewarding

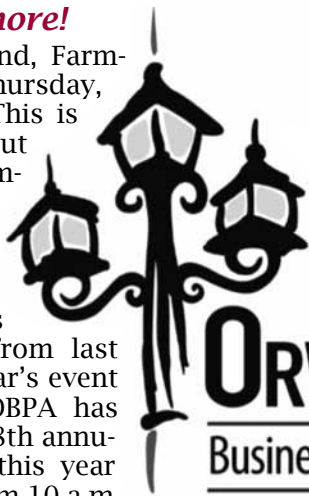

More than ever, OBPA needs community members to volunteer and be active. Please email orwigsburgbusinesspa@gmail.com with the subject line "Volunteer" to discover the rewards that come with planning/implementation our town's celebrations and doing that with other energetic people.

In addition to our events benefiting both the community and local businesses, OBPA supports young aspiring business professionals. In the past year, we've sponsored a scholarship for the Young Entrepreneurs Academy (YEA!), an after-school program encouraging students in grades 6 through 12 to learn the foundations of business by interacting with area business owners. YEA! is facilitated through the Schuylkill Chamber of Commerce with classes held at a local college. OBPA also sponsors an annual Blue Mountain High School graduation award and continually supports many area non-profit endeavors.

Finally, and to answer an oft-asked question, "No, you do not have to own a business to join our organization." While our membership primarily consists of business proprietors,

we gladly welcome individual members. OBPA wouldn't want anyone to miss out on the fun and great feeling of accomplishment when you work to better your community.

OBPA's meetings are held the first Thursday of each month at various local businesses. Find out more on these activities and how to be a part of this organization on our web page: orwigsburg-business.org, join us on Facebook, or email us at: orwigsburgbusinesspa@gmail.com.

Proclamation from the Orwigsburg Mayor

Meeting Challenges and Embracing Opportunities in 2019

Greetings to residents and friends of Orwigsburg! I like to look back through my prior **Orwigsburg Happenings** comments for each season's edition as a warmup, of sorts, to composing the current issue's submittal. Winter weather, pre-Super Bowl football,

BARRY J. BERGER
Mayor

new budgets, and personnel changes seem to be the predominant subjects so I'll try not to wander too far from the program.

I started writing this article over the weekend that winter storm "Harper" was predicted to be our next Snowmageddon. Luckily, we received limited frozen precipitation but strong winds brought plunging temperatures.

Late that Sunday night, with 30 mph winds and a temperature of 5 degrees, Maggie and I ventured out back for her bedtime potty-break and to view the lunar eclipse of the Super Blood Wolf Moon.

I was pretty well bundled up but the wind blew

a hard chill through my sweatpants. I wrapped a lap throw around my legs for extra cover and began to stare up at the Moon being covered by the Earth's shadow.

As Maggie wrapped up her business, she headed for the back door, stopped short, bristled, and gave me the "big dog" growl reserved for high alert status.

I was puzzled by her behavior until I caught my own moonlit reflection in the storm door window. Geared up as I was, I looked like the crazy frocked and bonneted Marlon Brando from the 70s film "Missouri Breaks."

Even after going inside and giving her a few bribe/treats, she continued to eyeball me with some apprehension.

Attracting and controlling growth

Drawing a bit of analogy, I see some similarities in Orwigsburg's current SOTB (State Of The Borough). Some predicted storms have been luckily averted. Subsequent unexpected conditions can create consequences that are equally challenging.

We are looking at the unusual phenomenon presented by the Saint Luke's/Geisinger project. It will bring a lot of opportunities we haven't seen before in our locality. But just as my odd garb and wind-dispersed scent confused my dog, it may take us awhile to recognize and digest the accompanying benefits and challenges.

I feel it is in our best interests to put our best foot forward in order to attract smart peripheral growth that will inevitably come to our area. Part of that process will be to make our community an attractive, well-served, and secure place in which to work and live. I also believe making a small investment now will increase our future tax and utilities revenues through an increase in residents, customers and tax base.

Our first step in that preparation is the pending hiring of a sixth full time peace officer, enabling reliable 24/7/365 police coverage of Orwigsburg. As I write this article, we are nearing the end of testing, vetting, and interviews with several promising candidates. By the time this edition hits the streets, it's my intention that our newest selection will be doing likewise.

So it looks like I covered all the prime topics except one - the run-up to the Super Bowl. For the third year in a row, the Patriots are back in it. Only the opponents change!

after 6 p.m. on evenings prior to collection. Because pickup times vary, do not wait until the morning of collection to place garbage.

Construction materials (shingles, drywall, cabinets, insulation, etc.) may not be placed at the curb with your regular trash. You must get a dumpster which can be leased from the borough's trash collector, County Waste, at 570-874-3047.

Recycling and large item collection

Not sure when trash, recycling, and monthly large item collection will take place? The Borough website - www.Orwigsburg.gov - has monthly calendar pages with everything you need to know. Click on the "Services" tab and then on the "Garbage Pickup" file.

How do holidays affect trash/recycling?

County Waste, observes six major holidays - Memorial Day, Independence Day, Labor Day, Thanksgiving Day, Christmas Day, and New Years Day - that may change the normal Tuesday/Friday collections.

Here are the simple Holiday Schedule Rules:

- If the holiday falls on a Monday or Tuesday, trash/recycling pickup will be delayed one day for every household ... Tuesday pickup will move to Wednesday; Friday pickup will move to Saturday.
- If the holiday falls on Wednesday thru Friday,

the Tuesday pickup will not be affected; but, the Friday pickup will move to Saturday.

- If the holiday falls on Saturday or Sunday, the normal Tuesday and Friday pickups will not be affected.

The next major holiday will be Memorial Day on Monday, May 27. Because the holiday falls on a Monday, the usual Tuesday pickup will be delayed to Wednesday, May 29, and the usual Friday pickup will be delayed to Saturday, June 1.

A handy Trash/Recycling Holiday Schedule card detailing the dates affected for 2018-2019 was mailed with previous utility billings. Additional cards are available at Borough Hall, 209 N. Warren St., for anyone who would like one.

Declared "Snow Emergency"

The Borough, two years ago, reduced the number of designated "Snow Emergency" streets through Orwigsburg in order for the snow plow crews to efficiently stay ahead of major snowfalls. Fewer snow emergency streets also mean less stress for many residents by not having to move their vehicles off the street right away ... and, if they are required, will have convenient streets allowing parking.

The designated "Snow Emergency" routes are: all of East and West Market streets, including both sides of Centre Square; South Liberty Street from Rt. 61 to Market, and North Washington Street from the blinker light to the Borough line.

During a snow and/or ice event, the Mayor of Orwigsburg may declare an official "Snow Emergency."

Residents will be made aware of the emergency by notice posted to the borough website and Facebook page, through announcements on radio stations WPPA-AM and WAVT-FM, and by notice in the Republican Herald daily newspaper.

Households registered with the Borough's direct notification system - Swiftreach 911 - will receive a phone call with a pre-recorded message from the Borough, an email, or text message depending on which method was requested. If you have not already done so, add your contact information via the Swiftreach link on the home page of the borough website: www.Orwigsburg.gov.

All vehicles parked on the designated "Snow Emergency" streets must be removed for a period of 24 hours once the emergency is declared or for a longer period as instructed.

Vehicles not removed, in violation of the emer-

gency procedure, will be ticketed and will be towed. The vehicle owner is responsible for all towing costs. Ignorance of the declared emergency is not an excuse. It's your responsibility to find out.

Getting the word out

We use the Borough website www.Orwigsburg.gov as a valuable tool to keep residents and property owners informed about the happenings in the Borough. Our staff will keep the home page current with news on upcoming events and information on past events in the Borough.

The website lists borough meeting schedules. Minutes from these meetings are posted after they have been reviewed and approved by the appropriate body.

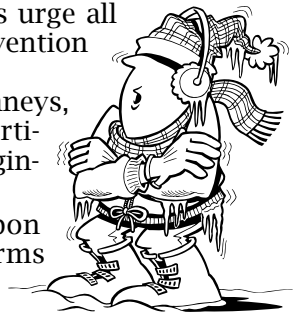

The subdivision and zoning codes are also available for all to view. Numerous forms can be accessed, including applications for Albright's Woods usage. Trash day pickup changes will also be posted. Links to other websites, such as the Lions Club, library, churches and fire company are on the website.

The website also includes a link allowing residents to enter their contact information into the borough's Swiftreach 911 emergency notification system. This site allows the Borough to notify residents via telephone, text message and email of boil water advisories, weather emergencies or any other emergencies in a prompt manner.

Winter fire prevention tips

The Orwigsburg Fire Department and its Fire Chief Jesse Zimmerman wish residents, businesses, and visitors a healthy and safe new year. To help ensure that wish, the emergency responders urge all to heed the following fire prevention measures.

- Have your furnace, chimneys, and vents serviced by a certified technician at the beginning of the heating season.
- Install smoke and carbon monoxide detectors/alarms and test them monthly.
- The nation returns to Daylight Saving Time on Sunday, March 10. The time change of clocks in your home is a great time to change the batteries in your smoke detectors.
- Always cover your fireplace with a screen to prevent flying sparks and embers. Do not burn trash or Christmas wrapping paper in fireplaces.
- Beware of lit candles. Although they look very nice from the outside, candles are one of the leading causes of fire in the winter months.
- Space heaters are secondary heat sources and should be used in that manner with particular

precautions. When using a space heater, keep all combustibles, pets, and children away from the heater. A heater's use should be monitored at all times. Adding fuel to space heaters should not be done indoors and only when the unit has cooled.

Statistics show that every day, seven people die and 36 are injured in home fires, most in the absence of working smoke alarms. Sadly, children and the elderly disproportionately lose their lives. More than \$7 billion in property damage results from structure fires each year.

Orwigsburg Area Food Pantry

The Orwigsburg Area Food Pantry is housed at St. John's UCC, 232 E. Market St., and is supported by eight area churches. Non-perishables or monetary donations are always needed. Borough Services Update . . . and Events

- Continued from Page 11

The Borough utilizes the services of MuniPAY with Visa, MasterCard, Discover, American Express, or e-check. A user fee of 2.45% or \$3, whichever is greater, will be assessed per transaction. The fee for e-check is \$1.50.

The Borough does not collect, receive or retain any portion of the service fees. The fees are charged by MuniPAY in order to provide the service. MuniPAY is an electronic payment processing option currently used by local Schuylkill County municipalities designed specifically for local government and utility agencies.

Customers may continue to pay by cash, check or money order at the Borough Office, Monday through Friday, 8 a.m. to 5 p.m. Additionally, checks may be mailed to Orwigsburg Borough, 209 North Warren Street, Orwigsburg, PA 17961, or deposited in the 24/7 drop-off box located at the front door to Borough Hall.

Questions concerning these payment options may be directed to kmengle@orwigsburg.gov or call 570-366-3103.

The Borough relies on these payments in order to meet the debt service and operating costs for the water, wastewater and sanitation services. If a bill is

not paid after a short grace period, collection efforts will be initiated. If efforts to collect payments are unsuccessful, additional steps could include interruption of service and/or a lien placed on your property. Property owners are responsible for all costs incurred to collect past due obligations.

To avoid these actions and additional costs, property owners must make payment arrangements with the Borough. Have accounts up to date or a payment arrangement in place by then to avoid loss of service.

Team Orwigsburg!

Team Orwigsburg is again planning a busy 2019 with local projects in Schuylkill County and the annual week-long mission trip out of the area. This year, the Team will keep it in the Commonwealth, traveling to Bradford County where many homes and bridges need repair and rebuilding following last year's flooding in August.

Team Orwigsburg is entering its 14th year as a mission team professing its "Healing Hearts and Homes" slogan. Many outside the organization are not aware the Team works on many projects right here in Schuylkill County. The group doesn't print local names or locations where it does its mission work; but rest assured, we stay busy.

Most of the volunteer members hold down full time jobs; yet, find time to dedicate many hours to mission work as there are so many needs on a regular basis.

The Team's annual turkey dinner for the community will be held Saturday, Feb. 23 in the Fellowship Hall of St. John's United Church of Christ on East Market St. from 4 to 7 p.m. A free-will offering will be gladly accepted for the benefit of Team Orwigsburg. Take-outs will be available.

Want to be part of a community group that benefits so many? Meetings are held the first Monday of every month at 7 p.m. at Salem United Methodist Church at S. Liberty and W. Independence streets. New faces are always welcome! For questions and more information, contact Susan McCartney at 570-943-2103.

Rental properties

Orwigsburg Ordinance #396 and newly enacted Ordinance #424 establishes certain responsibilities for owners of rental properties in the Borough. These ordinances can be referenced on the Borough website: www.Orwigsburg.gov under "Government - Ordinances."

Every owner/lessor of any rental property, including but not limited to dwelling, dwelling units, rooming houses, rooming units, or dormitory rooms must register with the Borough each year between January

1 and February 28 identifying the tenants residing. If any tenant moves from the dwelling during the year, the owner shall notify the Borough within thirty (30) days of said changes. Forms are available at the Borough Office or can be printed from the borough website.

As part of the annual registration, a basic triennial (once every three years) inspection fee shall be paid for each and any dwelling unit ... \$110 for the first unit, \$45 for the second, and \$25 for each additional unit per address.

Owners/landlords living in excess of 20 miles from the Borough must designate a local manager for the property and provide all contact information. This individual must live within 10 miles of the Borough.

Property owners, landlords and tenants are asked to store trash and recycling containers at a location out of view from the front of the property. If necessary, the building code inspector shall identify such location.

Dumpster? You need a permit

Any resident who rents a dumpster and places it on the street is required to fill out a dumpster permit prior to dumpster delivery. Permits are available at the borough office at a cost of \$20. The permit is good for three weeks; another permit is required for additional time. Four (4) reflectors are required on each side of the dumpster, and dumpster wheels must be placed on 3/4" thick pieces of wood so as not to damage the road surface.

State Senator David G. Argall

School Safety Report – Protecting our Students

In December 2018, the state's Senate Majority Policy Committee, which I chair, released its report on School Safety. The report is based upon information from 10 public roundtable discussions held across the state and input from a large number of safety professionals, students and local officials.

**Senator
David Argall**

Following the deadly Florida shooting last year at Marjory Stoneman Douglas High School that claimed the lives of 17 students and staff, many school districts around the country have been studying new strategies to keep their students safe.

The Policy Committee report is the result of state officials, safety experts, concerned citizens and school officials coming together to talk about an issue that is never easy to address. Each discussion was broken down into three parts – the impact of recently passed legislation; pending proposals in the General Assembly; and perhaps most important, new ideas to be further developed for legislature consideration.

Most of the participants from the roundtable discussions agreed that school resource officers are the best deterrent against school violence and one of the

most important safety investments districts could make. A mental health focus was also a key point of new strategies to combat school violence.

Earlier in 2018, the General Assembly and Governor Wolf agreed to a new \$60 million investment in school safety initiatives in the 2018-2019 state budget. Many schools plan to enhance anti-violence efforts and to invest in equipment designed to keep students safe.

It is my hope the coming year's budget effort will continue to provide school district resources to keep our children safe. I plan to ask questions and raise the Policy Committee's findings at this year's budget hearings in February.

The full report is available on my website: www.SenatorArgall.com and, as always, let me know what you think about these important issues affecting our state!

State Rep. Jerry Knowles

On Tuesday, Jan. 1, I was sworn into office to begin my sixth term representing the people of the 124th District in the Pennsylvania House of Representatives. It is quite an honor for me to serve. I am thankful to my wife, family, and especially my grandsons, who held the Bible, for joining me on this special day.

The House is now comprised of 110 Republicans and 91 Democrats, including 43 first-term members. Swearing-in Day also included the certification of election results and adoption of rules that will govern the House during the 2019-20 Legislative Session.

Again, I am truly honored and humbled to serve the people of Berks, Carbon and Schuylkill counties. Residents can get the latest district event information and state government updates by following information at Facebook.com/RepKnowles. My weekly Legislative Report can be automatically delivered to your inbox by registering your email address at www.RepKnowles.com.

Coming clean on Wash Day

The public is invited to the next monthly presentation kicking off the spring-summer-fall season of OHS's "Tracing Schuylkill County's Heritage" program series on Thursday, May 16 beginning at 7 p.m. in the society's Community Room.

Bob and Sue Lee will present "It's Wash Day!" - a focus on the history of doing laundry in America from the early days to the present. This program will be a nostalgic memory for some, but an eye-opening and informative piece recalling machines, soaps, tools, and "theories" on doing laundry.

Visitors are always welcome to bring photos and artifacts for sharing. Refreshments and fellowship accompanies all programs at OHS.

Veterans Community Memorial Hall

Looking Back ... and Ahead to the Veterans Foyer!

As plans and dreams for the 2019 new year get underway, it's always important to take a moment to look back and reflect on how far we've come.

There is never a truer sentiment that can be said for the upgrades and remodeling efforts at our Orwigsburg Veterans Community Memorial Hall.

What's the buzz?

Right now, the building is buzzing with activity. Hundreds of youngsters and their parents, are spending their evenings and weekends in the building, enjoying warmth and protection from the elements while enjoying their favorite recreational activities.

Families are gathering for birthday parties; church groups are congregating; and community civic groups are planning their next community project ... all from inside the building. It is due to the support from Borough and surrounding community residents through the years that continue to drive the success of this restoration effort for all to enjoy.

In November, the Orwigsburg Veterans Memorial Task Force, partnering with the Captain Jason Jones Memorial Foundation, hosted an event that will be remembered for some time. Supporters from far-and-

wide showed their true colors that evening - Red, White and Blue - as they gathered in the building to hear the inspirational words of General George Joulwan. The event was a huge success for the task force and the community. Not only was it a financial success and task force boost to continue with the building efforts, it was also a showcase for the deep heritage and multi-use opportunities existing within our community.

Next up ... the Veterans Foyer

All of the money raised will be invested in further development, primarily focused on the completion of the entryway. This Veterans Foyer, as it is called, will pay special tribute to those who served our country and resided in our community. It will be a constant reminder of what the original builders of this structure had in mind when they laid the first bricks - a building honoring veterans of all wars while providing a space welcoming the entire community to enjoy.

The Orwigsburg Borough office is continually accepting honor roll applicants for service identification on display in the Veterans Foyer. The form to submit an honor candidate can be downloaded from the Task Force website: www.orwigsburgmemorial.com or by contacting Borough Hall at (570) 366-3103.

Planning for the construction is well underway and will continue into the spring to not impact visitors through the winter. Once construction begins, building entrances and exits may be temporarily moved or altered to allow for safe public use. Please pay close attention to signage.

The building's website has a great deal of information on the building, its history, and how you can donate to the cause. You can also follow activities on Facebook, send us an email to memorial@orwigsburg.net, or reach out to a task force member for more information. Rental rates, agreement and calendar of activities can be found by contacting Borough Hall at (570) 366 3103.

Zion's Red Church

Welcome to Zion's Red Church, a shared ministry of the Evangelical Lutheran Church in America and the United Church of Christ. The oldest congregation in Schuylkill County is located at 1287 Centre Turnpike (Route 61) at Brick Hill Road.

This season, we celebrate Lent - a time to remember Jesus' journey to the cross for our redemption, culminating in a joyous celebration of Easter, whereby we are given the gift of new life in Christ. We begin the season with our Ash Wednesday evening service on March 6. During Holy Week on Maundy Thursday, April 18, we remember the Last Supper that Jesus shared with His disciples.

Also during the season of Lent, Bible study held each Tuesday from 2:30 to 4 p.m. will focus on the letters contained in Books 1 and 2 Peter. All are welcome to attend any or all of these study times.

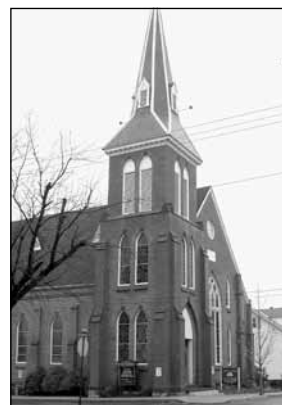

May God grant you a meaningful Lenten season and a joy-filled Easter celebration. Contact the church office at 570-366-1178 for additional information/needs or online at ZionsRedChurch.com.

St. Paul's Lutheran

Located at 215 North Warren St. in Orwigsburg, St. Paul's Lutheran Church welcomes all to worship and to be part of the church family. Weekly services are held on Saturday beginning at 5:30 p.m. and on Sunday mornings at 8 and 10:30 a.m.

Holy Week begins with Palm Sunday worship services, celebrating our Lord's triumphant entry into Jerusalem, at regular times on April 13-14. Hear the Reading of the Passion according to St. Luke.

Maundy Thursday worship will be held on April 18 at 7 p.m. observing the events of the Last Supper and recount how Jesus washed the feet of his disciples. Communion will be shared and worship will end with the stripping of the altar.

A Service of Tenebrae (Latin for "darkness") will be held on Good Friday, April 19 at 7 p.m. Hear how our Lord suffered and died upon the cross for our sake. Scriptures will be read and candles extinguished.

The Resurrection of Our Lord will be celebrated Easter Sunday, April 21 at 8 and 10:30 a.m. announcing, "Christ is risen, He is risen indeed, alleluia!" Joyous music will be sung and the Sacrament of Holy Communion will be shared.

Kimmels Church

Be our guest as the sermon series "God Is on the Move: A Study of God's Righteousness in Romans" continues each Sunday at 10 a.m. as we "walk" through this book of the Bible, the foundation of Christian faith.

The truth contained in this letter had the power to transform a murderous Pharisee into the man we know as the Apostle Paul. It has greatly influenced men like Augustine, Martin Luther, and John Wesley,

and it has the power to change your life as well.

Our Holy Week celebration begins with our Palm Sunday worship service at 10 a.m. on April 14 and is followed by a community-wide Easter egg hunt at 3 p.m. All are welcome as more than 4000 filled eggs will be collected by children up to age 10. Crafts and activities for the entire family will add to the celebration.

Be on the lookout Good Friday, April 19 for many of our families walking through town carrying a large cross as we connect with God on a personal level remembering His act of selfless love. Our Cross Walk ends at the church at 6:30 p.m. when our Good Friday service and communion begins.

An Easter sunrise service will begin at 6 a.m. at our Chapel on the Hill. The celebration continues with a morning worship service at 10 a.m. All have a spe-
